

MEET AIRTV

Watch and record local HD channels like ABC, NBC, CBS, FOX, CW, PBS and more with no monthly fees, at home or on a mobile device.

HD ANTENNA
REQUIRED

Cut the cord. Watch local TV anywhere.

FEATURES AND BENEFITS

- ✓ Watch local HD shows, sports and news anywhere
- ✓ Record shows with DVR functionality*
- ✓ Stream local channels over WiFi with one HD antenna
- ✓ Watch local channels on a TV or mobile device with the integrated Sling TV™ app
- ✓ Works with compatible media streamers and smart TVs

WATCH ANYTIME, ANYWHERE

With AirTV and the free Sling TV app you can watch live or recorded* local channels at home or on the go with a mobile device.

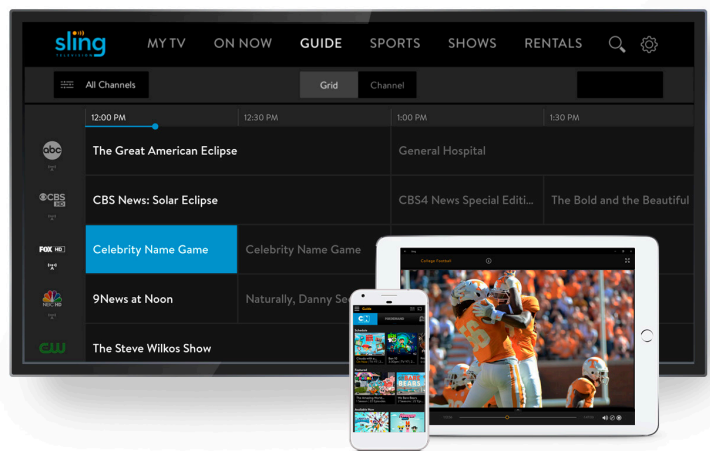

AirTV also works with the free AirTV app.

LOCAL CHANNEL DVR

AirTV now offers a whole home DVR solution. Using the Sling TV app (required) and an external hard drive, record and playback live content from any compatible device.

- **Dual Tuner** – Record up to two shows at once or watch one show live and record another.
- **Integrated DVR** – Recorded content will appear alongside Sling TV's Cloud DVR for seamless integration.
- **Functionality** – Pause, rewind or fast-forward recorded local channel content. *Sling TV subscription not required.*

*Local Channel DVR requires an external storage device (sold separately) to record. Hard drives must be larger than 32 GBs, AirTV currently supports recording up to 2 TBs of storage for DVR. Sling TV's Cloud DVR requires a monthly subscription.

SUPPORTED STREAMING DEVICES
